## Saturday, April 23

### Registration deadline: Friday, April 15

Calling all artists (and scientists)! Come share that unique trait you both have in common: an extraordinary ability to discover patterns in the world around us. Sci-Port is bringing the two disciplines together again this year with our friendly Science in Art Competition. Submitted artwork should feature topics in math or science.

#### Competition Schedule:

9 - 10 a.m.	Setup
10:30 a.m. - Noon	Judging*
1 p.m.	Awards Ceremony

#### Categories:

Grades K - 2<sup>nd</sup>, 3<sup>rd</sup> - 5<sup>th</sup>, 6<sup>th</sup> - 8<sup>th</sup>, 9<sup>th</sup> - 12<sup>th</sup>, Special Needs Students and Adults. Certificates and awards will be given in each category.

#### \*Requirements for Entry:

Artists need to be present during the judging process as a panel of individuals made up of scientists and artists will judge artwork both visually and through oral discussion with the artist on aesthetics and the scientific or mathematical muse which inspired the work.
